

August 5, 2024

I can't believe it's already been over one month since Air Comfort Service Heating, Cooling & Insulation acquired Agers Heating + Air Conditioning! I wanted to send out one last letter from myself and Agers in case you missed the previous letter and email. All further communications you receive will be from Air Comfort Service Heating, Cooling & Insulation. If you see the blue oval logo or **Air Comfort Service, Inc.** in your inbox, please don't ignore it! To read the previous letter and learn more about Air Comfort Service acquiring Agers, please visit www.aircomfortservice.com/agers/.

There has been a lot happening over the last month! I knew this was the right decision to make for my company before, but now...it's cemented. We've heard from a lot of you that you've been very happy with the transition and service from Air Comfort Service too! Thank you for your feedback; it is much appreciated!

If you have any questions or need any HVAC, water heater, duct sealing, or attic insulation service, please contact Air Comfort Service any time at 636-422-5665. Since this is the last letter you'll receive from Agers, I'd like to thank you one last time for the many years that you trusted Agers! Enjoy the final days of summer and once again, welcome to the Air Comfort Service Family!

With Sincerest Gratitude,

Brian Agers
Project Manager
Air Comfort Service, Inc.
